Working Together

The support of parents and carers is invaluable in enabling children to achieve their full educational potential.

Please speak to us about any concerns or questions you may have, we welcome your input and involvement especially in our topic work.

If you have any skills or interests, don't be shy please share them with us! If you would like to volunteer in school, please speak to Catherine Wakeman, our school business manager.

We are also always grateful for members of the PTA! So please contact Mrs Parish if you would like to be involved.

Communication with parents

Please call the school with any urgent enquiries, somebody will call back by the end of the day.

We will send out information via email and also using Class Dojo.

You can also email us or message us on Dojo and we will respond within 3 school days, or talk to us at pick up time

Reading Records

- Reading records should be in school everyday.
- Children should be reading every night and it written in their planners, it can be magazines, books, kindles etc and can be independent but has to be signed.
- It needs to be signed on a weekly basis by home and school.
- Any notes, please use Class Dojo or email. You will also now be able to speak to your child's teacher at the end of the day but please wait until they have dismissed the class.

Sickness

- Parents must ring in before 8:30am on the day to the office to inform us their child is sick or this also can be done via the Arbor app
- If attendance falls below 96% we will request a meeting to support improvement
- If possible, can parents book any appointments after schools hours or after lunch so their child still receives their registration mark (100% attendance!)
- Any medicines need a medical form filled in at the office, including inhalers and epi-pens.

Term Time Holiday

- Term time holidays will not be authorised by the school.
- A request for leave form should be completed for term time absences - these are available from the office.
- Mrs Ward may ask to meet with you to discuss this in more detail
- Term Time Leave may incur a fine (penalty notice) issued by the local authority

Uniform

- Please make sure children always have the correct uniform.
- They must have: COMPLETELY black shoes/trainers, black or grey trousers or skirts, white shirt and West Hill tie and a red cardigan or jumper. Red school summer dresses may be worn in warmer months.
- Hair should be tied up and no jewellery apart from small studs or if worn for religious reasons.
- Hair bands should also be in the school colours: red, white, grey or black.
- No nail varnish to be worn to school - we may ask children to remove if persistently worn.

Clubs and Dinners

- School run clubs are bookable on Arbor. If there are no spaces then parents will not be able to book on.
- Lunches are £3 payable on Arbor and bookable on Relish- children will be able to choose what they want in school if needed (it can still be selected at home though).

Healthy snacks and drinks

- Fresh drinking water is available all day, so please send your child in with a water bottle that they can refill.
- A snack of fresh fruit or veg only is allowed at break - all other snacks will be removed and handed back to the child at the end of the day.
- Sweets, fizzy drinks and chewing gum are not permitted in school.

West Hill Chill

- Breakfast club operates during term time between 7:00am and 8:30am at a cost of £6 per child, per day.
- After school club runs from 3.10pm to 6.00pm every day and costs are as follows:
- West Hill Chill now has 3 sessions:
 - Short Chill 3.15pm-4.30pm = £8
 - Mid Chill (for children attending after school clubs 4.20pm - 6.00pm) includes snack £9.50
 - Long Chill 3.10pm-6.00pm £15
- Both clubs must be booked via Childcare Bookings before the cut off times; due to health & safety we will not be able to accept any child where these procedures have not been followed and the school will contact parents to collect.
- Any queries about booking breakfast club or West Hill Chill should be directed to Childcare Bookings directly

**Childcare
Bookings**

Please note: From April 2026, all bookings for wraparound care at West Hill should be made via Childcare Bookings.

If you have not already registered on the new online booking system and secured your sessions, please do so at:

The Learning-Power Dispositions

Resilience The emotional aspects of learning Feeling	Resourcefulness The cognitive aspects of learning Thinking	Reflectiveness The strategic aspects of learning Managing	Reciprocity The social aspects of learning Relating
--	--	---	---

The Learning-Power Capacities

Absorption Being able to lose yourself in learning – becoming absorbed in what you are doing; rapt and attentive, in a state of 'flow'.	Questioning Asking questions of yourself and others. Being curious and playful with ideas – delving beneath the surface of things.	Planning Thinking about where you are going, the action you are going to take, the time and resources you will need, and the obstacles you may encounter.	Interdependence Knowing when it's appropriate to learn on your own or with others, and being able to stand your ground in debate.
Managing Distractions Recognising and reducing distractions; knowing when to walk away and refresh yourself. Creating your own best environment for learning.	Making Links Seeing connections between disparate events and experiences – building patterns – weaving a web of understanding.	Revising Being flexible, changing your plans in the light of different circumstances, monitoring and reviewing how things are going and seeing new opportunities.	Collaboration Knowing how to manage yourself in the give and take of a collaborative venture, respecting and recognising other viewpoints, adding to and drawing from the strength of teams.
Noticing Perceiving subtle nuances, patterns and details in experience.	Imagining Using your imagination and intuition to put yourself through new experiences or to explore possibilities. Wondering <i>What if...?</i>	Distilling Looking at what is being learned – pulling out the essential features – carrying them forward to aid further learning; being your own learning coach.	Empathy and Listening Contributing to others' experiences by listening to them to understand what they are really saying, and putting yourself in their shoes.
Perseverance Keeping going on in the face of difficulties, channelling the energy of frustration productively. Knowing what a slow and uncertain process learning often is.	Reasoning Calling up your logical and rational skills to work things out methodically and rigorously; constructing good arguments, and spotting the flaws in others'.	Meta-learning Knowing yourself as a learner – how you learn best; how to talk about the learning process.	Imitation Constructively adopting methods, habits or values from other people whom you observe.
	Capitalising Drawing on the full range of resources from the wider world – other people, books, the Internet, past experience, future opportunities...		

Maths will be taught as either Year 3 or Year 4

Some of the learning tools we use in school that your children will be familiar with – any question, please ask your child's class teacher.

The Golden 100

- A project run across all schools in the Golden Thread Alliance.
- 100 books carefully selected by staff across the Trust.
- A list of 100 books that we think every child in The Trust should read, listen to or share with somebody before they leave Year 6.
- 25 books for EYFS, KS1, LKS2, UKS2

#Listen, Share, Read

- Encourage your child to read the books on the list – all of the books are in school or why not join the local library!
- Share some of the books together at home. Your child doesn't have to read them all independently – enjoy a bedtime story or listen to an audio book together.
- Keep an eye out for other events and activities throughout the year.
- Let's inspire a lifelong love of reading together!

Oracy

A big focus in our learning this year - learning how to talk and learning through talk.

We will be giving you more information on this and how you can help develop oracy skills at home as the year goes on.

 Physical	 Linguistic	 Cognitive	 Social and Emotional
 Are you speaking clearly with expression?	 Does your vocabulary suit your audience?	 Are you clear, well-organised and building on others' points?	 Are you actively listening and responding appropriately?
 Are you adapting tone, pace and volume for different situations?	 Does your language match the situation?	 Do your questions clarify, probe and challenge? Can you summarise key points?	 Are you aware of the group dynamic and inviting others to contribute?
 Does your body and face convey the message?	 Are you using persuasive techniques if needed?	 Are you responding to what is being said using evidence to support your points?	 Are you confident, respectful and adapting your speech for your audience?

Expected Progress and Attainment

- We will inform you if your child is working at, above or below national age related standards.
- This will be in parent consultations twice a year (first one 21st and 22nd October) and in our written reports.
- These assessments will be based on teacher assessments of children's ongoing work rather than one-off tests.

Year 4 Multiplication Tables Check

- Year 4 children will sit a national test to assess their knowledge of their times tables in June.
- This is an online test which consists of 25 questions where they have 6 seconds to answer each question.
- Children will do plenty of practice to get used to the format of the test in school but practising their times tables at home will ensure the children are more confident.
